ANIConnect
Connecting People

Kickoff your meeting
with a single click or call

ANIConnect is a turn-key solution that empowers you to **COMMUNICATE** with groups of people **QUICKLY**, **EFFECTIVELY**, and **EFFICIENTLY** from a computer, tablet, or telephone **ANYTIME**, **ANYWHERE**. For a crisis or casual communications; you are in control.

How it works?
Log into your **ANIConnect** console from any computer and create multiple teams. Then with the click of a button, instantly engage them in a conference call.

Not at your computer?
Dial a number from any phone to engage your team in a conference or record and send them a message.

Routine conference calls?
Your **ANIConnect** provides Meet-Me Conferencing for all your conferencing needs. It eliminates expensive conferencing bills and gives you the control to effectively customize and manage your calls.

FEATURE BENEFITS

Feature	Benefit
Meet-Me & Out-Call Conferencing	Assemble up to 240 participants into a conference call
